This may include programming and supervision of lessons; completion of daily reports; scheduling of special events/birthday parties; basic pool maintenance; scheduling, and mentoring subordinate staff. This position requires the ability to work varied hours including morning, weekends, nights and holidays.

Our Ideal Candidate

- Has the ability to establish and maintain safe and fun pool environments.
- Will be a Water Safety Instructor or have the ability to obtain within 90 days.
- AFO/CPO and Lifeguard Training Instructor preferred.
- Will have knowledge or ability to learn about pool equipment such as pool vacuums, chemical levels, and computers.
- Possesses a professional and welcoming demeanor.
- Has the ability to communicate effectively verbally; establish and maintain working relationships with employees and the public.
- Is highly motivated and take direction well with excellent interpersonal and communication skills.
- Has previous experience managing and working with youth
- Works independently.
- Has the ability to remain calm during emergencies.
- Will follow and enforce all pool standards and rules.
- Has experience with interviewing, hiring and payroll.
- Is interested in maintaining position for multiple seasons to build a relationship with our pool community, and ideally lives in Colorado full time.

Minimum Qualifications

- Must be at least eighteen (18) years of age.
- Must pass a background check.
- Three (3) years of lifeguarding and/or pool maintenance experience.
- Current certification in American Red Cross Lifeguard Training at time of hire.

Application Deadline: November 15th 2022
